Figure 3; pest and disease identification on vegetable crops.

## ABSTRACT

This report is all about an industrial training that was carried out at PAKWACH TOWN COUNCIL local government, which is located at the centre of Pakwach district Jonam county. The training was conducted from 28/feb/2022 to 06/may/2022.

This reports covers areas of the history and geographical information of the Town council, location of the place, Vision, Mission, objectives and Organizing structure of the town council, this report also covered all the various activities that was attended by trainee during the training, The activities was both office works like compiling farmer data, etc and farmer field visit ,field marking, planting difference type of crops and training farmer on crops protection And this made me gain communication skill, I also learned some problem facing farmer in the community.

Not only that the activities was very many for the student during the training and the student embraced on areas like skilled gained from the training, responsibility undertaken during the training, influence of the activity to the future plans, correlation between the attachment activities and classroom knowledge, challenges faced during the training, and finally some of the suggested solution to some of the challenges that I had learned

This report also contains the recommendations, conclusion and work plan of the report, appendices and finally the references.

## CHAPTER ONE.

### 1.0 INTRODUCTION

#### HISTORY AND GEOGRAPHICAL INFORMATION

Pakwach town council was re-gazetted from Nebbi District as sub county in 1875 and later it was being promoted to Pakwach Town Council in 2000, in 2016 Pakwach has been given a district by president of republic of Uganda.

Pakwach town council is located at the centre of Pakwach District alongside Nebbi-Arua road, Pakwach Town Council It's bordered by Panyago sub county on the West, Nwoya district and River Nile to the east, Pakwach town council to the South east, Pakwach sub county to the South, Alwi Sub County to the South west

Pakwach Town Council contain five(5) parishes, ie Amor East, Amor West, Puvungu West, Puvungu East and Puvungu Central. The Town Council has 52 villages with the total land area of about 120km

#### Demographic Characteristics

The Sub-county has a population of 28,660 people with 15,033 females and 13,627 males from preliminary 2014 census households results spread in 7 Parishes as detailed in table 1 below;

Table 1 Gender disaggregated population by parish.

Parish	No .of village	No. of house hold	Population by sex		Total population
			Male	Female	
Amor East	11	288	1804	1169	2973
Amor West	10	147	1525	2908	4433
Puvungu West	10	237	1079	1191	2270
Puvungu East	10	118	1020	2010	3030
Puvungu Central	11	279	1249	1586	2835
Total	52	1,069	6677	8864	15541
