Lecturer, Department of economics and management

ACKNOWLEDGMENT

I would like thank the almighty God for giving me wisdom and also enabling me throughout this research.

Special thanks goes to my supervisor, Mr.

..... for the advice and guidance throughout the research process, lecturers, administration and support staff of Busitema University over the research period.

My family especially BRO.WAMBI PETER and KALIMUTOKO TOM ERIC for all the support throughout my academic life, classmates and friends for the assistance rendered to me throughout the course.

May the LORD bless you all abundantly

ABSTRACT

The main objective of the study is to establish the effect of corporate governance on financial performance of commercial banks in Tororo Town Council. Most importantly the study will aim at determining how the internal mechanism influences the financial performance of commercial banks , to establish the effects of external mechanism on financial performance of commercial banks , to evaluate the effects of independent audit on the performance of commercial banks. The sample size of the study is 36 and a total population of 40.
