DEPARTMENT OF AGRICULTURE

FACULTY OF SCIENCE AND EDUCATION

A proposal submitted to the faculty of science and education as a requirement in partial fulfillment for award of a bachelor's degree in science and education.

Supervisor

MR.OCHAN MARTIN LUTHER

Department of agriculture

Faculty of science and education

DECLARATION

I **IMONGIN MAX KENETH** hereby declare that this research report is my original work and has not been presented for any academic award to any institution of higher learning.

Signature.....

Date:.....

APPROVAL

This research report titled **“Factors affecting banana production in Kwapa-sub county Tororo district”** was compiled by **Imongin Max Keneth** and has been submitted for examination with my approval as the university Supervisor of this specific student.

Signature.....

Date:

Name:.....

DEDICATION

I dedicate this research to my parents especially my dearest father **Mr. Imongin Max** for their endless support and always being there for me in terms of financial, moral and spiritual, and all other forms of support towards the success of this course.

ACKNOWLEDGEMENT

In the first place, I thank the Almighty God for giving me abundant life, strength, knowledge and ability to carry out this research.

I am greatly indebted to my supervisor for creating time within his busy schedule to guide me through my work thank you **Mr. Ochan martin Luther**, without forgetting all my lecturers at Busitema University Nagongera Campus for imparting me with great knowledge and skills, your guidance enabled me to gain a clearer understanding of various concepts and principles in this course from both theoretical and practical perspectives.

I also acknowledge the contributions made by my father, Uncle, Aunts, Mothers, Brothers and sisters for supporting me to pursue this course up to this level.

Finally, I am greatly indebted to my friends and course mates with whom we have struggled, exchanged views and ideas and all forms of support you rendered to me.

May the Almighty God bless you all abundantly, Amen.

List of acronyms

SSA- Sub-Saharan Africa

FAO -

MAAIF- Ministry of Agriculture animal industries and fisheries

NDP- National development plan

ACMID- African cassava mosaic disease

NGOS- Non-government organizations

COSCA- Collaborative study of cassava

IITA- international institute of tropical Agriculture

DRC- Democratic republic of Congo

HQCF- High quality cassava flour

Table of Contents

TABLE OF FIGURES	9
CHAPTER ONE	10
1.0 INTRODUCTION	10
1.1 Back ground	10
1.2 Problem Statement	11
1.3 OBJECTIVES	12
1.3.1 Major Objective	12
1.3.2 Specific objectives	12
1.4 Research questions	12
1.5 Research hypotheses	12
1.6 Justification	12
1.7 Significance Of Study	13
1.8 Theoretical frame work	13
1.9 Conceptual Frame Work	13
CHAPTER TWO	15
LITERATURE REVIEW	15
2.0 Production to consumption system	15
2.1 Trends in production	16
2.2 Pest and disease constraints.....	17
2.3 Gender in cassava production	17
2.4 Cassava’s contribution to incomes in SSA	18
2.4.1 Cassava as a source of household cash income	18
2.4.2Cassava as a source of foreign exchange.....	19
2.5 Cassava’s contribution to food and nutrition security.....	19
2.5.1 Cassava as a robust crop for the future	19

2.5.2 Cassava-derived foods	20
2.5.3 Pasty products	20
2.5.4 Granulated products.....	21
2.5.5 Cassava leaves	21
2.6 Cassava’s contribution to SSA diets	22
2.7 Drivers of change in cassava production in SSA	22
2.7.1 Adoption of improved cassava varieties.....	22
2.7.2 Expanded use of processing machinery.....	23
2.7.3 Industrial uses of cassava	23
2.7.4 Starch	24
2.7.5 Animal feed	24
2.7.6 Ethanol.....	24
2.7.7 Flour.....	24
2.7.8 Commercial production of cassava.....	25
2.7.9 Emerging trade in cassava food products	25
2.8 Effect of population dynamics.....	26
2.8.1 Effect of climate change	26
2.8.2 Science, technology and innovation	26
2.8.3 Biofortification of cassava.....	27
