WHO WE ARE

Awoja Riverside – Farm & Leisure Park is a hub of agricultural learning, training and production, complemented with eco-tourism. Agricultural demos/trainings and agritourism are our core businesses. Our demographic focus is especially youth and young women. Founded as a sole entrepreneurship, today it has opened up and now constitutes an association of small-scale farmers, some, owners of fragmented plots of land, all now bulked together. Others are renters of the said plots.

Awoja Riverside Farm & Leisure Park is located in rural Awoja (Soroti county), since its founding in 2014. The farm sits adjacent to the marshes of River Awoja, at the convergence of the districts of Soroti, Ngora, and Katakwi, and within easy proximity of many districts in the sub-regions of Teso, Bugisu, Karamoja, and Lango.

OUR VISION

To be the premier agricultural skilling, demo and agri-tourism destination in the region.

OUR MISSION

To spur profitable agribusiness in the countryside while employing sustainable agriculture technologies.

OUR VALUES

- Excellence
- Integrity
- Ingenuity
